

# Electricity System Operator's role in change

Louise Schmitz, NG ESO

# ESO role in charging reform

Louise Schmitz

# Our role

- **Facilitate industry debate**
  - Highlight where arrangements need to be reformed
  - Where appropriate, lead through change
  - Support Ofgem in the delivery of SCRs
- **Use our voice to champion the consumer**

# Our goal

## Develop markets that create the right outcomes

- Enable market participants to make efficient business decisions
- Users are exposed to their cost and benefit to the whole system
- Deliver consumer value

## Facilitate an open process

- All users have had the opportunity to contribute to the reform

# ESO lead taskforce

## What could an ESO led package of work could look like?

### ESO form a task force on a specific topic

- Propose options for change to industry
- Collaborate with taskforce members to remove and refine options
- Take forward preferred option into code modification(s)
